EXPERIENCE

Department of Mathematics

Surakarta

Lecturer Assistant

August – Dec 2025

- Managed and validated assessment records for a 60-student course by reviewing 100+ exams and assignments, ensuring data accuracy, consistency, and timely reporting of academic results.

PelepahKoe — Student Entrepreneurship Program (WIBAWA UNS)

Surakarta

Chief Financial Officer (CFO)

August – Dec 2025

- Managed end-to-end financial planning, budgeting, and cash-flow tracking for a student-run business, maintaining accurate records and supporting data-driven decision-making.
- Prepared periodic financial reports and visual summaries for stakeholders, improving transparency and enabling timely, informed business decisions.
- Partnered with cross-functional team members (Operations, Marketing, Product) to align financial planning with business strategy, contributing to the program's selection as a WIBAWA UNS awardee.

Badan Pusat Statistik Kabupaten Sragen

Sragen

Data Analyst

May – June 2025

- Standardized and validated large-scale statistical datasets (2024 Agricultural Census, SME Directory/SBR, Rural Price Survey/SHPed) spanning 20 sub-districts, ensuring consistency and accuracy for official government reporting.
- Cross-checked and reconciled hundreds of respondent records across multiple districts, identifying and resolving data discrepancies to strengthen dataset reliability for downstream analysis.
- Built 14+ structured data visualizations and supporting documentation, translating raw statistical data into clear insights used in annual reporting and internal decision-making.

ORGANIZATIONAL EXPERIENCE

Badan Eksekutif Mahasiswa FMIPA UNS

Surakarta

Vice Minister of Finance

April – Dec 2024

- Achieved 100% KPI fulfillment across all financial management objectives by standardizing financial documentation and reporting workflows across 20+ organizational programs, strengthening governance and audit readiness.
- Delivered comprehensive financial reports, dashboards, and visual charts to the academic community four times per term, improving transparency.
- Secured 100% on-time fee compliance from 100+ members by redesigning the tracking and follow-up process, improving efficiency over prior periods.

Dewan Mahasiswa UNS

Surakarta

Staff of Administration & Finance

May 2023 - March

2024

- Assisted in budget administration and financial documentation.
- Supported financial reporting and fund disbursement.
- Coordinated financial records for organizational activities.
